

## **Photographer Policies**

Photographs are a wonderful way to keep memories of your special day, to gather family, or to mark some of life's milestones. Lamm Gardens is honored to be here to provide beautiful backdrops for your memories and photos. We have a variety of natural areas to choose from: two historic bridges, several gazebos, a stone arch, water areas, log buildings and more.

If you will be taking photographs at Lamm Gardens we ask the following:

- Please call (262) 677-3010 or email us at [events@lammscape.com](mailto:events@lammscape.com) to arrange a time you would like access to the areas for photographing. Our grounds are available for photography sessions during our normal business hours. Special arrangements may be possible at the discretion of the management.
- Please stop and register on the Photographer's Log in the Garden Center store. Let the staff know you have arranged to take photos; they will let you know if there are any additional directions for that day.
- Please be respectful of weddings and events that are happening on our grounds. This is their special day. As a rule we will not allow photography sessions when the grounds are reserved for a wedding or other event.
- Appropriate behavior is expected at all times. Please be respectful of the plantings, buildings, decorations and structures as well as our customers and guests. Smoking and pets are prohibited.
- Retail merchandise is not available to move or use in photographs. You may bring your own props if needed.
- Children should be supervised at all times to ensure their safety.
- In compliance with Town of Jackson Ordinance, carrying-in of alcoholic beverages is strictly prohibited in all areas.
- Lamm Gardens, LAMMSCAPES! and John Lamm of Jackson, Inc. is not responsible for loss, theft or damage of any personal property. Valuables should be secured by guests.
- Photography fee is \$25 per event or \$150 for the season. Upon payment, you will receive a card authorizing the use of the grounds.
